
Magnet RAM Capture

[Download](#)

Filename: MagnetRAMCapture.exe; Size: 286 KB (292864 bytes); Type: peexe executable ... Comments: Magnet RAM Capture; ProductName: Magnet RAM Capture Description: Magnet RAM Capture is a program for automatically capturing, processing and saving RAM memory. The program does not have an interface, but is nevertheless very easy to use. After installation, the program will create a shortcut in the Start menu, after which you can launch the program and start capturing memory. After the capture is completed, the program will prompt you to save RAM, where you can select a folder on the disk to save and save it. You can also customize the program yourself if you wish.
